This scholarship program provides up to four (4) years of tuition (in state) and mandatory fees for post-secondary education (per the scale above). The students must be a full-time student, taking 12 credit hours per semester minimum. Individual summer school classes will be covered as long as the class applies toward the degree or certification program in which the student is enrolled and is taken at their designated school of choice. A summer school request form must be completed AND approved in order to take summer classes away from the school of choice. The scholarship may only be used at one school a semester, all summer sessions are considered one semester.

The Kalamazoo Promise will be awarded at Michigan Colleges Alliance (MCA) institutions at the % above based on the average tuition and fees for the College of Literature, Science and Arts, University of Michigan, Ann Arbor. Each MCA institution will match (through institutional grants and other non-loan sources) the tuition and fee cost differential between its annually published tuition and fees and this rate. Use of Promise scholarships at MCA institutions is available only to KPS students who graduate in spring 2015 and beyond and who begin college in the fall of 2015 and beyond.

Students who apply for and are awarded a Heyl Scholarship to attend Kalamazoo College are no longer eligible for the Kalamazoo Promise Scholarship at Kalamazoo College, even if they decline the Heyl Scholarship or they become ineligible for the Heyl Scholarship for any reason during their time at Kalamazoo College.

Mandatory fees are defined using the same definition as the Michigan Educational Trust and are determined by each educational institution.

The post-secondary education must be completed within 10 years of the date of high school graduation. Exceptions to this requirement are granted for military service.

Four years shall be defined as the receipt of a bachelor degree or 130 credit hours towards a degree, whichever occurs first. This education must be pursued per the requirements listed above.
